

Estimator

C.D. MOODY CONSTRUCTION COMPANY is seeking an experienced Estimator to join our team.

The ideal candidate will have 10+ years of Estimating experience with the ability to bid and buyout the job, subcontractor procurement; write scopes for buyout, preconstruction, proposal writing and other marketing experience.

Estimating experience in diverse market segments is desired. The market segments include K-12 schools, higher education, parking decks, office buildings, faith based, government, aviation, tenant fit-ups, etc.

Responsibilities will include communication with subcontractors, design professionals, owners and vendors. The Estimator will also assist the project team as needed and will attend and represent the company at trade-related marketing events.

The Estimator should be proficient in Excel, Word, Prolog, Microsoft Project, Onscreen and Timberline Estimating. The Estimator is expected to participate in efforts to maintain and upgrade the estimating system and other company software systems with current technology.

The Estimator is also expected to take an active role in the development of other teammates, through one-on-one or on-the-job training or other activities.

C.D. Moody Construction Company is a performance based company. We offer an excellent compensation and benefits package, which includes paid health, life, dental, vision, long term disability insurance and a competitive 401(k) retirement plan.
